

## Covid-19 Safety Measures

As part of the COVID-19 guidelines announced by the Greek Authorities for the prevention of the new coronavirus transmission and spread, a “Pre-boarding health declaration questionnaire” must be completed by all passengers.

Visit <https://sea.travel.gov.gr/#/> to complete the questionnaire online or follow below link(s) to download and print the respective one:

- [Seajets form](#)
- [Golden Star Ferries Form](#)
- [Blue Star Ferries Form](#)
- [Minoan Lines Form](#)
- [Hellenic Seaways Form](#)
- [Aegean Speed Lines Form](#)
- [Fast Ferries Form](#)
- [ANEK Lines](#)
- [ANES Ferries Form](#)

Generic Form as posted on the official website of the Ministry of Shipping and Island Policy [here](#)

### Additionally:

**All Passengers 12yo and older traveling by ferry, must also present an electronic or printed:**

- Vaccination Certificate **or**
- Negative result of PCR Test not older than 72 hours **or**
- Negative result of Rapid Test not older than 48 hours **or**
- Certificate of previous Covid-19 infection with first positive result minimum one (1) months and maximum six (6) months, before the departure date.

For **children 5 – 11 years of age**, a negative result of a max 24-hour old **Self-Test** (available in pharmacies) is also accepted. Self-tests must be declared via gov.gr. Passengers can also print the self-test declaration form from <https://self-testing.gov.gr/covid19-self-test-print.pdf>

**Children younger than 5-year-old, do not need to present a test result.**

**Please be at the port early enough. During boarding, authorities and crew members will check the above documents and your ID.**

Wearing a protective face mask during boarding / disembarking, as well as during the trip, is mandatory. Even when testing is not mandatory, self-testing is recommended.
